6. For further particulars, the exhibitors will apply to the Amildar of T. Narsipur.

K. MATTHAN,
President, District Board.

ENGINEERING DEPARTMENT.

IRRIGATION DIVISION.

Abstract Notification.

The attention of the public is invited to the Notification published in the *Mysore Gazette*, dated 17th January 1918, calling for tenders for improving and extending channels below Sulekere tank, Malvalli Taluk, and for constructing protective works to the weirs and the channels of the Ramasagara tank, Bowringpet Taluk.

S. A. RAMASWAMI IYER,
Executive Engineer.

BANGALORE DIVISION.

Attention is invited to the notification published in Part IV of the *Mysore Gazette*, dated the 10th January 1918, calling for tenders for gunny bags required for constructing a new Maralvadi Tank at Kankanhalli.

C. VIJAYARANGAM NAIDU,
Executive Engineer.

KOLAR DIVISION.

Dated 10th January 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 1st February 1918, for "Restoring the Dimba Tank R. No. 609 of Kolar Taluk." An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tender should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100, in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Restoring the Dimba Tank R. No. 609 of Kolar Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

An approximate estimate of quantities for restoring the Dimba Tank, Registered No. 609 of Kolar Taluk.

Items No.	Bund	Per	Quantity
